Brief History

Wofs.com started in 1998 as the first online feng shui magazine, but has since grown into an extensive feng shui resource and portal offering everything to do with the fabulous living skill of feng shui. It was founded by world best-selling writer and expert on feng shui Lillian Too and daughter Jennifer Too.

Scope and Coverage

Updated regularly and with a huge archive of content, *Wofs.com* aims to bring one everything he or she needs to know to learn about,

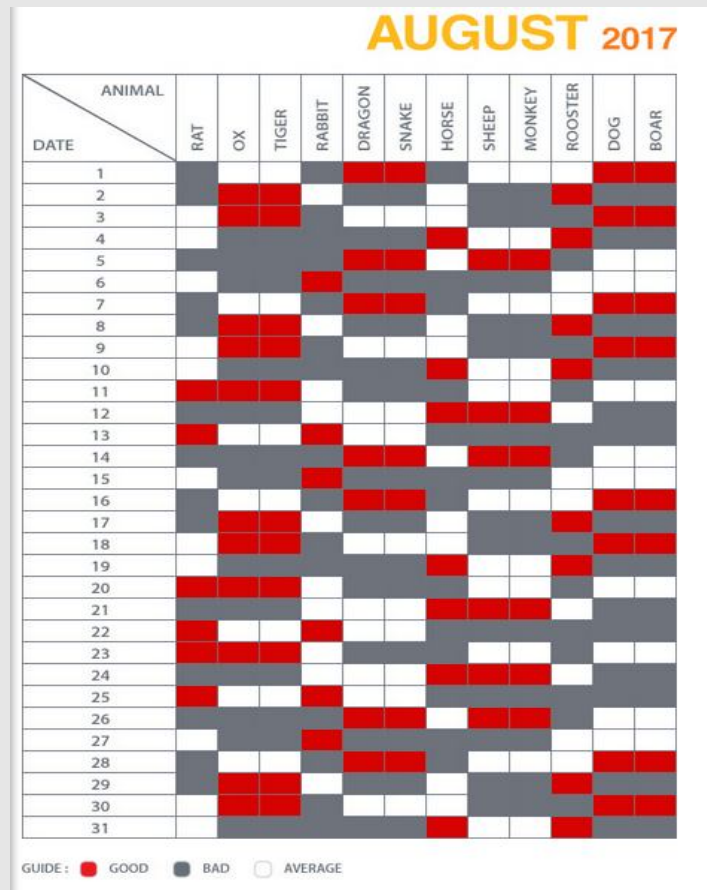

practice and use the ancient science of feng shui in today's modern world.

Kind of Information

The website has the aim to make feng shui more accessible to both the layperson whose interest in feng shui is just budding, as well as to the seasoned feng shui practitioner. With the almanac along with articles, tools, resources and active online forums, *WOFs.com* has the mission is to bring together feng shui enthusiasts from around the world to achieve the singular goal of demystifying the invaluable living skill that is feng shui, and to enable more people to benefit from the wonderful results it can bring.

About the Feng Shui Almanac the website says that these are based on the heavenly branches and earthly stems of the day. These calculations are based on the heavenly branches and earthly stems of the day.

At the left pane of the website, there are 13 categories like Online Courses, Career, Children, Education, Fame, Family, Forum, Health, Love, Mentors, Networking, Wealth, etc. The almanac provides a current calendar indicating good, bad, average days.

Special Features

- There is an arrangement of Feng Shui by countries name, like Aruba, Australia, India, Japan, Russia, UK, etc.
- There is a single portal for Feng Shui products.

Arrangement Pattern

The articles are placed under categories and all the categories are arranged alphabetically.

Remarks

The website provides enough information regarding Feng Shui and helpful in predicting future by help of Feng Shui.
