Brief History

The history of the National Library began with the formation of the Calcutta Public Library in 1836. The Imperial Library was formed in 1891 by combining a number of Secretariat libraries in Calcutta. Amalgamation project of CPL and Imperial Library was done in 1903. After the independence the Government of India changed the name of the Imperial Library as the National Library. On 1 February 1953 the National Library was opened to the public. The first official website of the National Library (www.nlindia.org) was launched on 22 January 2002 at 4.30 P.M. by H. E. Sri Viren J. Shah, the then Governor of West Bengal.

Scope and Coverage

It covers various documents including Indian documents, English & Foreign languages documents, Rare Books, Science and Technology related documents, Indian Official Documents, Foreign Official Documents, Newspapers and Periodicals, Manuscripts, Maps and Prints, Microforms. Remarks

Research scholars, Government agencies, universities and national level institutions may make use of this facility. Selected lists of reading materials or bibliographies are prepared by the library on request. Special bibliographies are prepared to augment the exhibitions, which the National Library holds. This catalogue provides bibliographies and / or bibliographic statistics to national and international organizations. It provides support to the Central Reference Library, Kolkata, in compiling the Indian National Bibliography.
