National Library of Ireland

Brief History

The National Library of Ireland was established by the Dublin Science and Art Museum Act, 1877. National Library of Ireland converted as an autonomous cultural institution on 3rd May 2005 under the National Cultural Institutions Act, 1997 and provides online catalogue.

Scope and Coverage

This online catalogue covers printed collections including books, journals, magazines, and government publications. With these collections other collections like manuscripts catalogued since 1990; Visual collections including prints & drawings, ephemera, and photographs; 34,000 digitised

glass plate images from their early photographic collections. Newspaper holdings are catalogued separately in the Newspaper Database.

A. Colles [graphic] /
A. Colles. [graphic] /
'A' Company action : the Battle of the Tunnel - 16th of December 1961 /
A. Comte als Pädagog ...
A. Com. Celsus De re medica. Accessurus index vocabulorum omnium, et cujuscunque ad rem pertinentis more dictionarii. ...
A. Corneli Celsi De medicina libri octo /
A! could my fault'ring tongue [music] : sung ... in Paul and Virginia.
A. de la Motraye's travels through Europe, Asia, and into part of Africa : Containing a great variety of geographical, topographical, and political observations on those parts of the world ... /
A. de Musset /
A. E. : a note of appreciation /
A. E. (George William Russell.) : Dichtung und Mystik /
A. E. Housman : the scholar-poet /

Under the option 'Browse by topic' list of entries are arranged in alphabetical order. e.g.:

International Theatre Institute
International trade
International trade – Congresses
International trade – Econometric models
International trade – Environmental aspects
International trade – History
International trade – History – 18th century
International trade – History – 19th century
International trade – Mathematical models
International trade – Periodicals

Similarly under the option 'Browse by title' or 'Browse by author' list of entries are also arranged in alphabetical order.

### **Remarks**

Its user friendly interface and powerful search techniques enables easy and improved access to catalogues. They are currently converting a variety of printed indexes and lists, and working to make it possible for users to search other collection databases through this interface.
