Brief History

This site was founded in 1989.

Scope and Coverage

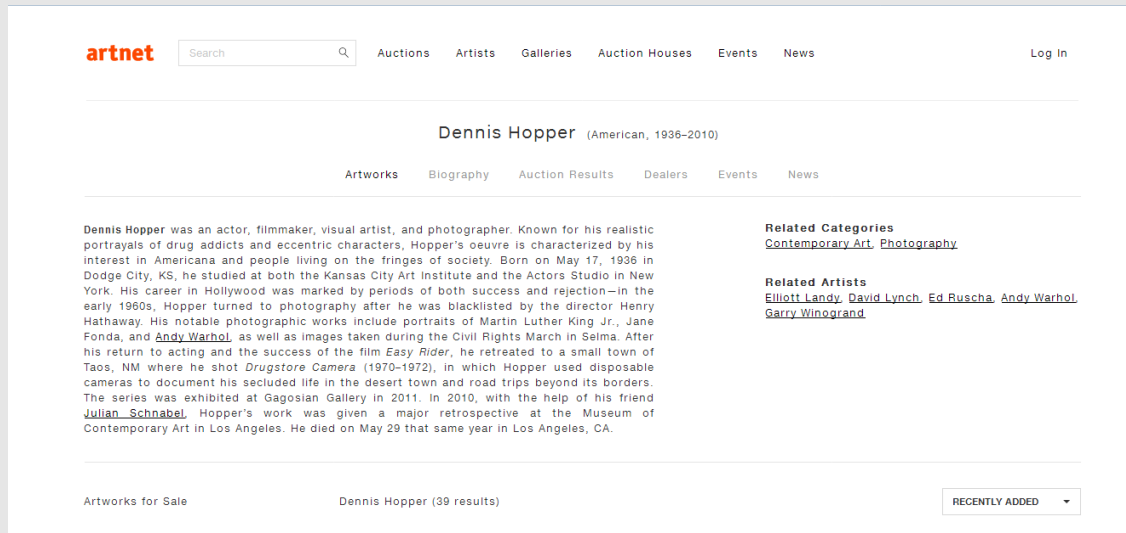

Artnet site contains 3, 20,000 artists, galleries of art, events and news. First page shows

trending artists, artists on view.

This directory provides an overview of over 320,000 artists, including auction lots, artworks for sale, and upcoming exhibitions. Artnet News is the world's first dedicated 24-hour international art market newswire. This platform informs, engages, and connects members of the art community to the events, trends, developments and people shaping the market and global art industry.

Kind of Information

Each entry on biography contains brief detail about notable persons, their work and other objects related to this person like photographs, prints and multiples and paintings. Each work contains photograph, name of artist, title, medium, edition, size, catalogue, price, movement, description etc. There is an option of inquiry of art works and this work can be shared by social networking site.

Special Features

- ❖ Auction on artwork is available on this site. Artnet Auctions features 24/7 online auctions and immediate purchases of Modern and Contemporary paintings, prints, photographs, and more. It also helps to sell Modern and Contemporary paintings, prints, photographs, and more. Registration is required to purchase artworks of person.

Arrangement Pattern

Entries on artists are arranged alphabetically by last name, by date of birth both in ascending and descending order. Artists are shown categorically.

Remarks
