Sahitya Akademi Library

Scope and Coverage Sahitya Akademi, India's National Academy of Letters is the central institution for literary dialogue, publication and promotion in the country and the only institution that undertakes literary activities in 24 Indian languages, including English. The Sahitya Akademi Library is one of the largest multi-lingual libraries in India, with a rich collection of books on literature and allied subjects. Also it publishes two bimonthly literary journals - *Indian Literature* in English and *Samkaleen Bharatiya Sahitya* in Hindi.

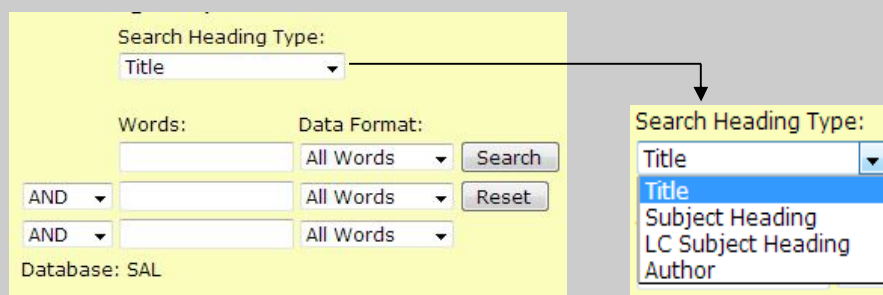

Kind of Information At the home page of library website, there is a quick search option (the following screen shot), in which one have to put search terms in the search bar and have to click one specific material type from the menu.

In Keyword search option users are able to put search terms in maximum three search bars and have to select one specific bibliographic field for each search term from the top down menu. The following screen shot shows it in details:

The website also provides Heading Keyword search facility. The following screen shot shows it:

By applying the above search processes one can get bibliographic information on each document, like title of the document, author's name, edition, publication details, subject, etc. The next screen shot is an example of a bibliographic entry of a material.
