

**Home Page**

The screenshot shows the VietProDict website interface. At the top, there's a navigation bar with 'VietProDict' logo and a tagline 'A hub of online professional and topical glossaries/dictionaries'. Below this is a search bar with a 'Go' button and a 'Reset' button. The main content area displays a list of terms under the heading 'Glossary of International Relations (IR) terms'. The terms listed are ABSOLUTE ADVANTAGE, ACCESSION, ACCORDS, and ACCREDITED, each with a brief definition and a 'look up' link. On the right side, there's a sidebar with metadata for the glossary, including visibility (Public), creation date (2012-08-19), and a list of members.

**Subject**

Political science – Dictionaries

**Accessibility**

Free

**Language**

Multilingual

**Publisher**

VietProduct.com

**Brief History**

VietProduct.com is an initiative by Hiep Trinh, a software engineer from Hanoi Vietnam, to help users build and publish online professional and topical glossaries. VietProduct Glossary of International Relations (IR) terms started its journey from August 2012.

**Scope and Coverage**

VietProduct Glossary of International Relations (IR) terms covers common words with meaning and definitions on International national and other aspects of political science with its related area. There is an option for selecting a particular language within the given more than 30 languages like Hindi, Chinese, Italian, Korean, Japanese, Arabic, French, Polish, German, Catalan etc.

## Kind of Information

Entries are available with meaning and explanation in this dictionary. Some of the entries are hyperlinked for more details. With the each term, its translated form of other language and term's related images (via Google) are available. Some examples are given below for easy understanding.

### For English

**BAG, THE** [look up](#) [translate](#) [image](#)

See "Pouch". Bag is the British term. "Bag Day" is the day the pouch is sealed and sent to the home office. Hence, bag day is the day when all non-telegraphic reporting must be finalized and dispatched.

#### Translated form

(Translated form same, there is no change.)

Translated by Bing  
**BAG, THE**

See "Pouch". Bag is the British term. "Bag Day" is the day the pouch is sealed and sent to the home office. Hence, bag day is the day when all non-telegraphic reporting must be finalized and dispatched.

#### Images

[Images are available from Google.]

### For Hindi

**BALANCE OF PAYMENTS** [look up](#) [translate](#) [image](#)

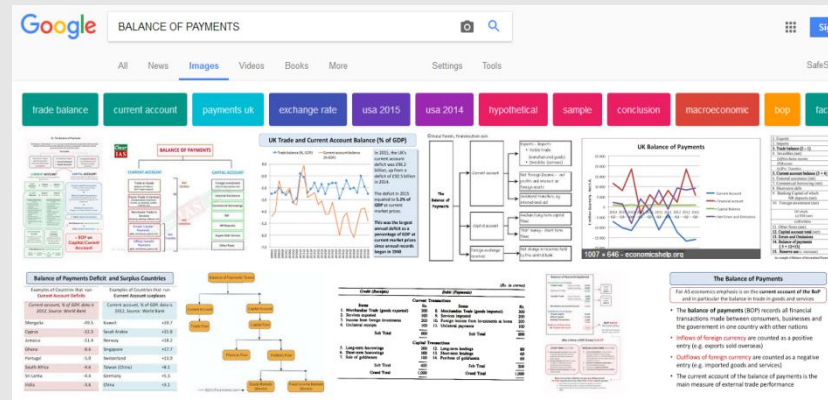

A nation's accounting records, which tracks its international economic transactions.

#### Translated form

Translated by Bing  
**भुगतान संतुलन**

एक राष्ट्र के रिकॉर्ड, जो अपने अंतरराष्ट्रीय आर्थिक लेन-देन को ट्रैक करता लेखा है।

#### Images

For Chinese

**HIGH COMMISSIONER** [look up](#) [translate](#) [image](#)

The chief of a high commission. Similar to what an ambassador is to an embassy.

Translated form

Translated by Bing  
高級專員

高級委員會主任。類似于什麼大使是給大使館。

Sometimes see references are available. e.g.:

**HEGEMONIC** [look up](#) [translate](#) [image](#)

See unipolar.

### Special Features

- ❖ Links to social network site such as Facebook.
- ❖ It has links to other dictionaries and glossaries produced by VietProduct.
- ❖ Users can create their account and log in for individual purpose.

### Arrangement Pattern

In this tool terms are arranged in alphabetic order. For example under the alphabet 'A' the terms ABSOLUTE ADVANTAGE, ACCESSION, ACCORDS, ACCREDITED, ACCURACY etc. are arranged in alphabetic order.

**Remarks**

In giving brief ideas regarding various aspects of political relationship and international relation related terms, this online dictionary plays a vital role. The huge compass of this dictionary regarding IR makes it a valuable asset to politicians, students, teacher and others.
