Brief History

This dictionary started its journey in 1999 in an effort to provide free online bilingual dictionaries and tools to the world. The site has grown gradually ever since to become one of the most-used online dictionaries, and the top online dictionary for its language pairs of English-Spanish, English-French, English-Italian, Spanish-French, and Spanish-Portuguese. As of December 2001, it was possible to translate

to and from English and Spanish, Italian, French, or German.

Scope and Coverage

It use as a free online multilingual dictionaries for English to many other languages. It offers excellent translations for "all" English words, terms, idioms, sayings, etc. into "all" languages. This dictionary provides the world's best language forums, dedicated to relatively serious discussion about the meanings and translations of words, terms and expressions in many languages.

Kind of Information

A particular entry under of this dictionary provides the part of speech, pronunciation in written as well as in audio format. The form of noun plural (npl), verb translation (vtr) of the term is also provided from English to other languages like Spanish, Italian, French, Arabic etc. For example, a particular entry “book” is given in the following way –

The screenshot shows a dictionary entry for the word "book". It includes a speaker icon, a "LISTEN:" button, a dropdown menu set to "US", and the phonetic transcription "/buk/". Below this, there are several purple links: "English definition", "Synonymes anglais", "in Spanish", "conjugator", "in context", and "images".
