Brief History

Subject to research

Scope and Coverage

It provides information on business related information, detail of sports tickets and air or travel tickets, home security systems, medical and nursing, updated news, weather report etc. Online education facility is also provided to the visitors.

Kind of Information

Under the heading “online education”, all the courses are discussed including a brief description, featured programmes, duration of courses, some related FAQs, related degrees and careers etc.

In case of sports tickets, information are given on events, venue, date and time. An example is given below:

EVENT	VENUE	DATE/TIME	
Joe Bonamassa	Porsche Arena Stuttgart, BW	Friday 05/05/2017 20:00:00	View Tickets

Business news, top stories, current news etc are given with photos and videos. Link of different tourist packages are given here. As for example, European holiday packages can be seen which gives information on the specifications of that package, rate of the package, package highlights and comments of tourists.

On the other hand, the ‘medical and nursing’ column provides information on medical schools, featured programmes, healthcare degrees, areas of study in a particular topic, career related information etc.

Information are available on different security methods and systems. These include information on different types of alarms, alarm companies, hardware alarm systems, cellular alarm monitoring, modes of alarms, alarm accessories etc. Simultaneously, it also includes information on surveillance security systems with components of it, types of cameras etc. Visitors can also know about types of sensors and indicators. Each of the micro categories is described with a brief description and some FAQs.

Lot of information are given on criminal justice which include how to become a lawyer, criminal justice administration jobs, how to become a criminologist, how to become a court reporter, how to become a crime scene investigator, how to become a forensic scientist, how to become an fbi agent, MBA in criminal justice, online paralegal programs, paralegal schools online, paralegal schools in Texas and so on.

News are given under different headings like world, national, politics, business, sports, entertainment etc.
