Brief History

Global Sources has been publicly listed on the NASDAQ since 2000. Global Sources won best B2B internet site at Internet World Asia Industry Awards in March'2001.

Scope and Coverage

The core business facilitates trade between Asia and the world using English-language media such as online marketplaces (GlobalSources.com), trade shows, magazines and apps. It covers information on more than 1.7 million international buyers, including 95 of the world's top 100 retailers. Suppliers are provided information with integrated marketing solutions to build corporate image, generate sales leads and win orders from buyers in more than 240 countries and territories.

Kind of Information

New products are kept separately. Those products are displayed with photos, product details including special features and brief description etc.

Information are given on trade shows also. Each of the shows contains information on duration of show, venue and name of or type of show. People can contact with suppliers face to face. Example of a trade show is shown below:

Venue : Hong Kong

Duration : April 11-14 & April 18-21, 2017

Global Sources Electronics Show

Some products are selected according to the choices of analysts and those are kept separately. Each of those products contains information on product specification, product request, how to contact suppliers, related products, product categories and related categories, product certifications etc. An example is as follows:

Analyst's Choice
