International Business Articles

[International & Mahindra in JV](#)
International Truck and Engine Corp. will enter into a joint venture with Mahindra & Mahindra in India to produce and market light, medium and heavy commercial vehicles for India and export markets. The joint venture, to be named Mahindra International, will have 51% ownership by Mahindra and 49% ownership by International. The combined investment of the two companies will be more than \$80 million over the next two to three years, Navistar said. [\[...\]](#)

[Can You Trust a White Van Man?](#)
From mini-vans to the larger Luton vans, white vans are an everyday sight in all the UK towns and cities, especially the larger cities like London. Many of these vehicles are used for trades, such as decorating, plumbing or window cleaning, some are used by courier companies for deliveries and some are for self-drive hire. [\[...\]](#)
