Ummah Directory

Brief History

Subject to research

Scope and Coverage

Basically, it helps to accumulate a wide variety of clients throughout the world with a vast variety of important & beneficial companies and services to offer the Ummah as a whole. Having a listing with Ummah Directory will most certainly increase the website traffic and awareness of web presence. Each business can be benefitted from having an additional online profile page featuring that particular business name, address, website & telephone number.

Kind of Information

There are a lot of business categories. Some of those are agriculture, building & construction, business services, clothing & textiles, community centre, computers & the internet, design & creativity, education, electronics, employment, engineers & engineering, finance, food & drink, funeral services, gardens, government offices, hajj & umrah agencies ,health & beauty, legal, madrassahs, manufacturers, masjids & islamic centres, matrimonial services, media & communication, medical services, public & social services, recruitment, security services, software, sports & leisure, technology trade associations, travel, websites, wholesalers and so on. Under each of those categories, the list of websites is given. Each website is provided including the information on its logo, address, contact detail, related tags, location map, overview and hyperlink. Anyone can write review on any listed site after being logged in Ummah directory. An example is shown below:

Alpha BioPharma Associates (ABPA)

[Overview](#) [Reviews](#)

Alpha BioPharma Associates (ABPA). We are a full service Clinical Research Organisation, dedicated and committed to extend and improve patients' well-being by accelerating clinical trials services to emerging biotechnology, pharmaceutical and medical device technologies, as well as to investigators and academic medical centres.

Using innovative technologies, experiences clinical research professionals and by committing to clients from product development to approval, we ensure that patients benefit from novel safe and effective therapies and devices as soon as possible.

Any user can create listing after being registered. The popular categories and recent listings are highlighted in the right side of the website as follows:

Popular Categories	Recent Listings
Masjids & Islamic Centres (118)	Southall Taxis
Education (22)	Islamic Jobs
Charities & Dawah Organisations (22)	Quran Tutors Academy

In case of blogs, a topic is discussed with the name of author, date, source, photographs etc. News from other blogs can also be seen. For e.g.:

AJ Executive Travel Blog

Minibus Hire Service (Birmingham, West Midlands)

[Travelling with Kids the Right Way](#)

While travelling requires a lot of planning, travelling with kids is another story altogether. We are talking about infants here, as it can be absolutely challenging to plan and execute a perfect trip when you have infants with you. It... [Continue Reading →](#)

Hyperlink of UImmah design is also given here which provides the methods of professional web designing and web development.

Special Features

- Both basic and advance search facility is available.
- Useful hyperlinks are attached with it. Such as, Islamic Ecommerce websites, Dubai Web Design Company, Corporate Gifts Company in UAE (Sharjah), Muslim Matrimonial Website, New Year 2020 Website etc.

Arrangement Pattern

The business categories are arranged alphabetically as shown below:

Business Organisations (1)
Cleaning Services (1)
Delivery Services (1)
Importers & Exporters (1)
Management & Business
Consultants

Remarks

Ummah Directory is an online business directory that lists Muslim businesses around the world. It can be considered as a platform where users can also leave a review about a business they used for their needs. Anyone can list his/her business without any cost and help to increase more online exposure.
