## Brief History

Wikitravel was started in July 2003 by Evan Prodromou and Michele Ann Jenkins, partly inspired by Wikipedia. Wikitravel does not have a neutral-point-of-view

requirement, as it is written from the point of view of a traveler. Wikitravel's sister concern, World66 another open-content wiki travel guide founded in 1999.

### Scope and Coverage

World66.com has become one of the most complete travel resources on the internet. World66 delivers more than 80,000 articles on more than 20,000 destinations all over the world. This site contains the point of view of travelers. It consists of information on history, economy, people, books, health, culture and festivals, internet cafes, night life and entertainment, shop, bars of different cities, countries.

### Kind of Information

Each entry contains travel guide, hotel facility, flight booking facility, map, and information on sights, history, economy, day trips, people, beaches, books, health, festivals, family travel, budget travel, beaches, and cruises with photo galleries. Destinations are listed under country.

The screenshot shows the World66 website interface. At the top, there are navigation tabs for 'World', 'Asia', 'South Asia', 'India', and 'India Hotel Deals'. Below this is a 'Sections' sidebar with a list of topics including 'India Travel Guide', 'Hotel Search', 'Flight Search', 'Map', 'Sights', 'History', 'Practical Information', 'Webcams & 360 degree pics', 'Getting Around', 'Getting There', 'Economy', 'Day Trips', 'People', 'Beaches', 'Books', 'Health', 'Festivals', 'Family Travel Ideas', 'Budget Travel Ideas', 'Senior Travel', 'When to Go', 'Cruises', 'Top 5 Must Do's', and 'Photo Gallery'. The main content area is titled 'India Travel Guide' and contains several promotional links and text. A 'Hot Hotel Deals' section is highlighted. Below that, there are links for 'ADMISSION OPEN 2016-17', 'Healthy Tasty Recipes', and 'Online Bus Booking'. A 'Destinations in India' list is provided at the bottom right, including cities like Delhi, Mumbai, Bangalore, Pune, Jaipur, Calcutta, Chennai, Hyderabad, Kolkata, Srinagar, Warangal, Chandigarh, Mcleodganj, Visakhapatnam, Karimnagar, Konkan, Kanpur, Lonavala, Silvassa, Nellore, and Thiruvananthapuram. A photo of Panhala in Kolhapur is also visible.
