**Brief History**

Freeimages was launched in February 2001 as an alternative for expensive stock photography. The idea was to create a site where creative people could exchange their photos for inspiration or work.

**Scope and Coverage**

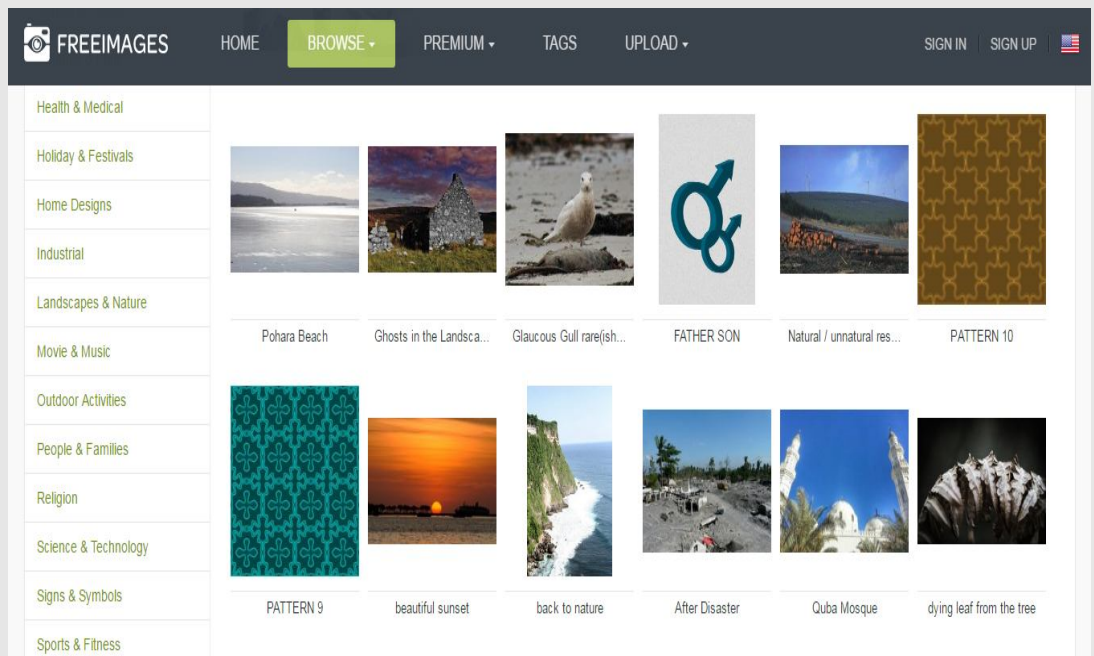

Freeimages covered 2.4 million premium photos and illustrations from almost 26 different categories, such as, Animals & Wildlife, Architecture, Celebrities, Education, Movie & Music, Religion, Sports & Fitness etc.

**Kind of Information**

As a user one can gain access to hundreds of thousands of high-quality, hand-picked stock photos and graphics — all free! If anyone needs wallpaper for their desktop or an illustration for the blog, can use Freeimages.com. Also if anyone wants to spice up their commercial website design project, they can find everything on freeimages quickly and easily.

Every day hundreds of thousands of graphic designers, web developers, journalists and webmasters from all over the world choose freeimages as their destination for stock imagery.

Examples of image categories from this site –

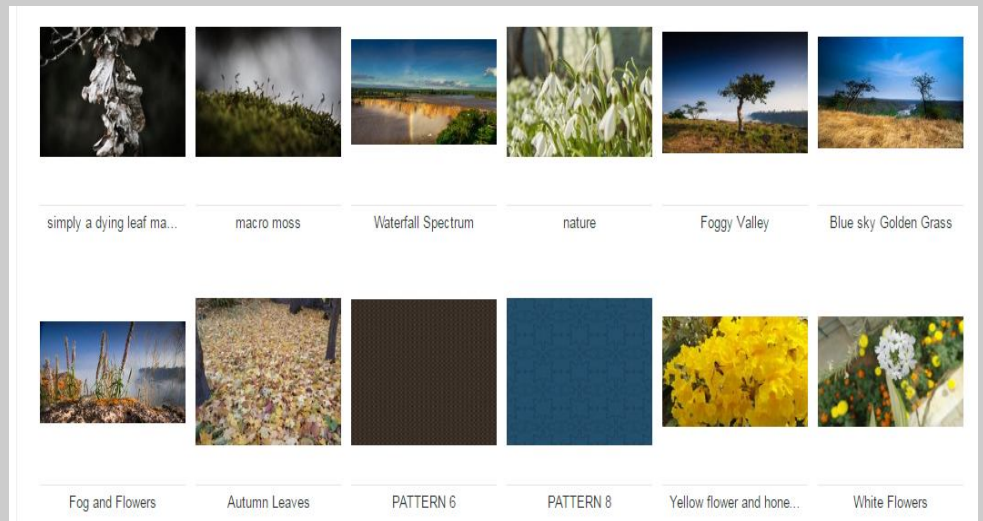

## Special Features

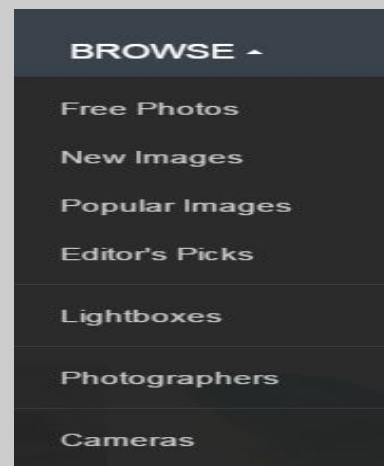

- ❖ Visitors can search images by any keywords.

- ❖ Freeimages provides wonderful wallpapers for desktop. Users can easily download these images from this site. These are categorically arranged – As for example,

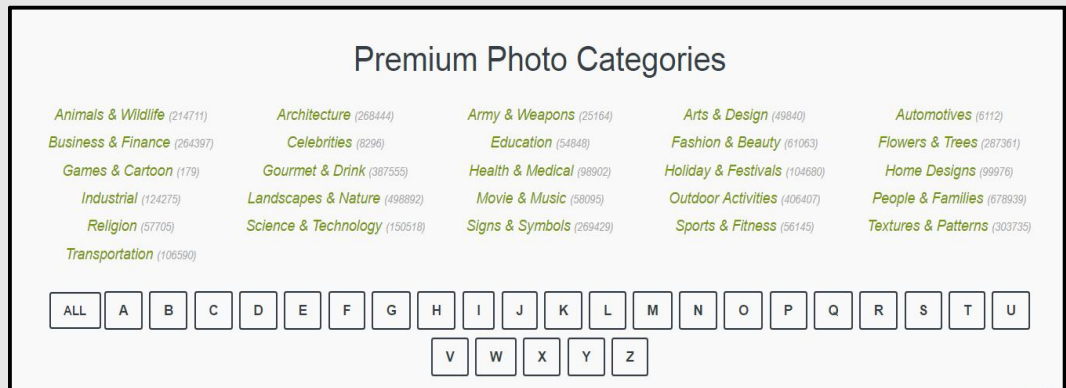

- ❖ Images can be browsed with these categories,

**Arrangement Pattern** All the images are arranged categorically, and these categories are arranged alphabetically.

As for example,

**Remarks** The Website contains images uploaded by its members. All images and their descriptions and presentation in general ("Images") on the Website are the property of either freeimages and/or its members and are protected by international copyright laws. Use of these Images without license is prohibited.

The use of Images identified as 'free images' are governed by the Image license agreement. Premium images and images from iStock by Getty Images are subject to the legal terms set out on the iStock website.
