Redux Pictures

Brief History

Redux Pictures opened their doors in 2003 and quickly emerged as an industry leader, receiving many major awards, including World Press, Overseas Press Club, American Photography, PDN, and Communication Arts.

Scope and Coverage

Redux Pictures is an independent commercial and editorial photo agency based in New York City with photographers located around the world.

Kind of Information

Redux takes pride in being a strong advocate for the power of modern photography and the creative individual's ability to effect change. Redux artists have photographed portraits of world leaders, CEOs, politicians, athletes and celebrities. They have documented everything from social issues such as healthcare, immigration, and poverty, to global issues such as the economy, the environment, and war. In addition, their extensive travel, food, and lifestyle photography showcases Redux as an Industry leader.

Their regular editorial clients include Afar, Forbes, Fortune, ESPN, The New York Times Magazine, Esquire, GQ, GEO, Time, Newsweek, The New Yorker, Reader's Digest, Travel & Leisure, and many more. Along with their network of partner agencies around the world, Redux continues to grow and offers complete production and multimedia services for clients.
