Subject to research

## Scope and Coverage

The NYS Historic Newspapers provides online access to a wide range of newspapers chosen to reflect New York's unique history.

## Kind of Information

The NYS Historic Newspapers project provides free online access to a wide range of newspapers chosen to reflect New York's unique history.

The images on this web site were scanned, processed by an optical character recognition program and converted to computer files. The contents of those files were then indexed and placed on a central server. These research resources are available for online use at no charge. Downloading a large number of files is not permitted.

Full bibliographic information provided of all the issues available under SYS Historic Newspaper.
