Scope and Coverage

CJ Online Reviews (online) is the part of the Classical Journal. CJ Online focuses on books, including: Book Reviews; Lists of Books Received; and Textbook Announcements and Reviews. It also occasionally sends out messages of general interest to CAMWS members. CJ Online overlaps with but does not duplicate the contents of the print version of the journal.

CJ-Online, the journal's list-serve, publishes book reviews, including many that do not appear in the hard-copy portion of the journal. All reviews published in CJ-Online are archived. CJ: Online subscriptions are free, and membership in CAMWS is not required to receive the postings or to publish reviews.

Kind of Information

CJ Online Book Reviews review a wider range of books, and in a more timely fashion, than is possible for the hard-copy portion of the journal. Although some reviews published in the hard-copy portion of the journal are also distributed via *CJ* Online, many other reviews will be *CJ* Online exclusives. The latter will be archived with other reviews, and should be cited in the form (e.g.) *CJ* Online 2009.03.06.
