KEY ACTIVITIES-SSSP

Ministry of Statistics and Programme Implementation (MOSPI), Government of India initiated a comprehensive project named Indian Statistical Strengthening Project (ISSP) to strengthen State statistical systems in order to improve their Statistical capacity and infrastructure for collection, compilation and dissemination of official statistical data for policy planning purposes. Therefore, ISSP is a centrally sponsored scheme approved by GoI on 19th March, 2010 to facilitate implementation of a National Strategic Statistical Plan (NSSP), which at State level is to be
